FROM RAP ROOTS TO A WIDER SOUND.

Nathan Carter, known as **SPOOKY**, is an R&B, soul and funk artist — born in the GTA and now based in Saskatoon, Saskatchewan.

A self-shooting filmmaker, he created the ***Off The Record*** docuseries, self-funding its Mexico City pilot. Future legs are planned for Medellín, Rio, Jamaica and the US.

His releases include **"Missin Home" (2023)** and **"In My Business" (2026)** with his sister **Néomie Monique**. At the piano since age five, he holds RCM Grade 8 and has worked in sound engineering since 2017 — more than a decade as a professional. He plays drums for **Rusted Pistol** and piano for **Galactic Super Heavy**, and has performed across Alberta, Saskatchewan, Ontario and Quebec.
